## Key Digital Welcomes Dwayne Husbands to the Team

**MOUNT VERNON, NY – March 24, 2020** – Key Digital, the leader in digital video and control systems, is pleased to announce the return of Dwayne Husbands to the company in the role of Vice President of Global Sales.

Dwayne held a variety of positions with Key Digital from 2009 to 2018, rising up through the ranks as his skill set continued to grow and impress. With his return as the newly appointed Vice President of Global Sales, Dwayne will use his vast industry knowledge and a comprehensive approach to help lead the company further down the path of success. His fourteen years of sales experience and driven attitude are a welcome addition to the company.

*"We at Key Digital are excited to have Dwayne back. We maintained a great relationship during his time away from the company, and we have been so proud to see his meteoric rise in the industry. Having him back on home turf will prove invaluable to us," said Masha Lakhter, COO of Key Digital.*

*"I am so happy that my timeline aligned with Key Digital's and there was occasion for my return," said Dwayne. "I look forward to working alongside the talented crew here to help take the company to the next level in its industry dominance."*

### About Key Digital®

Led by the "Father of DVD", Mike Tsinberg, Key Digital® is an InfoComm, CEDIA, CES, and NAHB award winning manufacturer of professional distributed video and control system equipment.

Since 1999, Key Digital has led the constantly evolving A/V industry by designing products that deliver industry leading quality, performance, and reliability to corporate, bar & restaurant, digital signage, education, government, and house of worship applications.

Key Digital products are designed and engineered in-house in Mount Vernon, NY. Superior quality, ease-of-installation, and versatility are the result of strenuous research, development, and testing. Expertise and unparalleled knowledge have created a unique hardware-software suite solution ideal for the consultants, designers, and installation firms of the A/V industry. Key Digital® is known to deliver best-in-class products based on quality, performance, and reliability.
